19th Congress in Rome, Italy, September 19-23, 2021!

The Minister of Health in Italy confirmed that Congresses will reopen starting on July 1st! This gives us hope for a safe, on-site IATDMCT 2021 where participants will be able to meet and interact. Rome is one of the most beautiful cities in Italy, surrounded by art and history. Outdoor tours are available in our social program. Visit our official website to register and choose your favorite tour of the city. Do not miss the Early Bird registration fee!

IMPORTANT DATES

- **May 10, 2021:** Abstract and poster acceptance notification to authors
- **May 11, 2021:** Late abstract submission (for poster presentation only) opens
- **May 25, 2021:** Authors registration deadline
- **May 30, 2021:** Deadline to submit late abstracts (for poster presentation only)

News from the Communication Committee

Welcome **Ofelia Nocetti** as the new chair of the Communication Committee!

Kamisha L. Johnson Davis, the past chair of the Communication Committee will continue to help the committee sustaining the social network for the association. We are thankful to Kamisha for her excellent work during the entire period.

We wish **Jana Stojanova**, our Blog Editor, good luck in her move to Australia!

The Communication Committee would like to inform the membership that advertisements for professional positions (Ph.D. and Post-Doc job opportunities) in the field of TDM/CT, will be published in the E-news instead of on the IATDMCT website. Please e-mail the office with the advertisement for the position and it will be published in an upcoming monthly E-news. (IATDMCT office email: info@iatdmct.org)

Some of our members are currently conducting clinical tests for COVID-19 and/or trying to introduce new biomarkers to monitor recovery. Certainly it is our duty to continue also the routine work. Keep safe.

Below please find informative links about the current situation, which specifically addresses the rapid identification of COVID-19 cases as well as adverse reactions due to interaction of drugs:
