Membership & Journal Award

Deadline: October 31, 2019

Two years of free IATDMCT membership and free subscription to the Therapeutic Drug Monitoring journal will be awarded to deserving individuals residing in designated developing countries*.

*Visit [here](#) for the list of eligible Designated Developing Countries

Who may apply

- Any IATDMCT member in good standing may nominate an individual from a designated developing country who is having difficulties to afford the annual membership dues and Journal subscription.
- Alternatively, individuals from designated developing countries may apply without sponsorship.

To apply for the award, please submit the following documents.

- A completed application form
- A statement describing the expected value of IATDMCT membership and access to the Journal to the individual
- A statement of economic need (e.g., membership fee (\$US) and Journal subscription in comparison to income)

For more information, please visit [here](#).
